Dear LPL Homebound Administrator

I have been receiving DVD'S from the homebound dept.

Kathy has been delivering every week DVD'S. She does a FANTASTIC job, finding movies, I would never know of, finding movies of wholesome, enjoyable stories.

She does an exceptional job, which I am grateful for.

This program is extremely important and very helpful.

I cannot say enough about the help, the hard work and dedication of this dept.

Please know that LPL is doing an excellent service to the people that need and find this so important.

Thank you very much for <sup>this</sup> program and hopefully it will continue.

Sincerely,  
Jean Pellegrino
