

LEVITTOWN PUBLIC LIBRARY

Growing with Our Community

Events for March and April 2020

UPDATE: Building Structure Renovations and Repairs

Renovation and repairs to the Community Room: Project 2 and the Lower Level Restrooms: Project 4 are in full swing!

Project 2: Community Room

Project 4: Lower Level Restrooms

The vision is progressing to transform the Mildred B. Cantor Community Room with technological improvements and space management that will allow a more pleasing and safe patron user experience.

The 2 lower level restrooms are also currently undergoing much needed renovations as they will be replaced with modern, gender, and family-inclusive facilities, which will be ADA-compliant.

Upcoming Projects:

Project 3: Window Replacement

Project 4: Restroom Renovations

Project 5: Public Parking

Project 6: Public Entrances

Each entrance will go through renovations at separate times to create a welcoming arrival atmosphere. The Library Lane entrance is being refreshed with new and efficient, fully accessible ramps and a reconfigured front vestibule.

The Bluegrass Lane entrance will be enhanced with a new portico and vestibule.

The library intends to be open regular hours during construction. However, there may be an occasion of closing for safety reasons. We will continue to offer the same great services and programs during this project. These exciting projects should be completed within 6 months. We will keep you updated as the projects continue.

Please call the library at 516-731-5728 with questions or concerns you may have or visit the library's website at www.levittownpl.org for additional information.

We thank you for your continued support of the Levittown Public Library!

*This project will be funded in part by the:
New York State Public Library Construction Aid Program.*
