## Bicycle Shaped Bike Rack

### Made for One or Two

Simple and clever bike parking. Instantly add functional landscape art to facilities with the creatively shaped Bicycle Bike Rack. The minimalistic all-steel bike rack welcomes all riders and provides them a safe, memorable space to park.

Constructed with 11 gauge 1-1/2" O.D. steel tubing, the MIG welded Bicycle Shaped bike rack features capped ends and sealed welds. This design helps prevent moisture from collecting inside the structure, ensuring top structural durability. The U-Lock compatible Bicycle Shaped bike rack offers safe, efficient bike parking for 2 to 4 bikes.

**Model BB-FT-EPX**

### Galvanized Finish

The hot dip galvanizing process results in an effective corrosion resistant surface with multi-varied spangle appearance.
