Dear Director Reed:

On behalf of County Executive Bruce Blakeman, I want to take this opportunity to thank you for allowing the Department of Assessment to hold its annual Property Tax Exemptions Workshop at the Levittown Public Library on September 30.

The workshop was a tremendous success thanks in part to everyone – from the custodial staff to the front desk – who helped us along the way. I especially want to commend Jackie Nogan for helping us coordinate and setup the workshop. She is an outstanding individual and true professional.

I look forward to working with you and your staff again next year so that we can continue to bring this worthwhile County outreach program to your community.

Cordially,

A handwritten signature in blue ink that reads "Matthew R. Cronin".
