Ms. Reed,

On behalf of the Levittown Fire Department, I thank you and the Levittown Library's family for helping to collect 86 units of blood for the Long Island Community at our Blood Drive on April 20, 2023. This was achieved in part due to the participation of the caring people from the Levittown Library network.

Collecting these large amounts of donations is a true win for the critically ill. It is my hope to work together in the future to help our neighbors. As there is always an ongoing need for blood, the Levittown Fire Department will be running its summer blood drive on Thursday, July 27, 2023 at our headquarters.

If you wish, I can drop off promotional materials again so that you can continue to get the good word out throughout the Levittown Library system.

Feel free to contact me about this if you wish . Thank you again for all your help in this life saving endeavor.

Ron Hlawaty
Levittown Fire Department Blood Drive Chairperson
