Dear Ms. Reed,

I have been receiving the Homebound Delivery Program for a good number of years. It is the most enjoying, helpful program ever. I am so grateful for this program. It makes my evenings so enjoyable, watching terrific wholesome movies, can't beat it.

Kathy, in that dept is the BEST. She goes so out of her way to find the selected DVD's for me. She is always so

over

very EAGER to be helpfull
How great is that!!
Definately the BEST
Thank you, Thank you
for this wonderful program
Truly hope it continues
for many more years -

Sincerely
